Parsberg, den 4. August 54

Dear Mr. Tiche!

Without having opened to your letter I have known who has written the letter to Josef: his old friend Bob. Josef is not here in Parsberg. He is a tall man and works at the office "American Express-Co" in Baumholder / Nahe, in the department "Travel." He will be very glad to get your letter. This month he has his holidays and he comes on the 11. August to me. Then he will write about himself and also about what he has done since his friend Bob has left Parsberg. On the 7. August he is in Berlin, meeting his sister Christa who is living in the Russ. zone, therefore we all are afraid. When he comes to Parsberg he will quickly write.

Yours

H. Staube, Josef's mother

My husband is died 1950 here.

Josef is 1,75 m tall. You will get a photograph from Josef later. He has always still your photograph by himself.

I can't express myself as well as I should like to, but Josef can it
