Dear Sir Tigue!

I don't know, if you have received the letter of my son Israel. We was very happy, when your letter arrived. Before 3 months neither daughter came back from Schlesien to us. Now we are 4 persons in a room. In the house we had a quite house and a great garden. We have all lost. That is dreadful for us. We can not back in neither homeland. And we need ~~us~~ everything. Please, are you not angry at our desires!! God be

praised for your goodness!!,
Mr. Tyghe. The scize of the shoes
for Sarel is 38. On the sole
measured, 28 cm. We have not
shoe-tie and shoe-creme and
shoe-nails for the shoe-cobbler.
When your mother has for us
old dress and dress-guards, we
would be happy. We can not buy
stockings here, suspenders and
gum-elastic.

former I have given charities
and now I must beg and
take them. That is hardly
for us, but God not us

leaves. He has made you to
a friend of our Josel in his
goodness. We pray for you!

We thank you very much!

The best regards to your
parents and especially to
you thankfully your

Mother of Josel
Kaake.

Mistakes not see!
